

## Activity 1: Introducing Wetlands

What does a wetland look like?

### Materials

---

- **Wonderville Wetlands** <http://www.learnalberta.ca/content/wonwet/html/index.html>

### Instructions

---

1. Work through the interactive **Wonderville** Wetlands interactive video, *and complete the chart* located on the following page.
2. Look at the photos throughout the **Wonderville Wetlands** interactive video to discover what a wetland looks like. As you study the photos, think about characteristics of the wetlands you are observing.
3. List the characteristics of wetlands you saw in the photos in the chart.
4. Do you have questions you wonder about and want to discover the answers? Note these in the last row of the chart.

## Alberta Wetland Chart

Prompts	Characteristics
1. In all the photos, I see...	
2. In some of the photos, I see...	
3. I recognize these animals...	
4. I recognize these plants...
