

Activity 4: Life Cycle Scramble: Adaptations

What are life cycles of some wetland plants and animals?

Materials

Wetland Videos: <https://www.youtube.com/watch?v=rJOOxIFs9Is> *The Life Cycle of a Frog, https://www.youtube.com/watch?v=Uja_QE4cZV0 *Stunning Close-Ups: Meet These Frogs Before They Go Extinct/National Geographic, and https://www.youtube.com/watch?v=Fa_l68L_APY *World's Most Famous Frog!

Instructions

1. Unscramble the life cycle stages to construct the correct life cycle diagrams for the animals shown.
2. Enter the correct life cycle stage in the correct spot.

Need a Hint?

- Watch the **wetlands videos**, listed under the materials, to help you to find out more about the frog life cycle and characteristics about them.
- Read about each of these animals in the "Organism Screens" section of the **Wetlands Digital Field Trip** resource to find out more about their life cycles.
