

Activity 8: Build a Food Chain

How can I construct a food chain?

Resources

- **BrainPOP Food Chains**

To access this video use this login information: Username: 0099 Password: students
<https://www.brainpop.com/science/ecologyandbehavior/foodchains/>

- **Kids Corner Food Chain Game** (Note: Flash is required for this game)

<http://www.sheppardsoftware.com/content/animals/kidscorner/games/foodchaingame.htm>

Instructions

1. Watch the video to review the basic of food chains: **BrainPOP Food Chains**.
2. Do the quiz at the end of the video to check your understanding. (Click the big "QUIZ" button at the bottom of the screen.)
3. Try constructing some food chains by playing the Kids Corner Food Chain Game.
4. Construct your own wetland food chain using Google Draw, another computer program, or pencil and paper. Include pictures of at least four organisms from the wetlands in your food chain.
5. Label each organism and its role in the food chain (producer, consumer, or decomposer).

Food Chain Drawing

This activity is also Lesson 5 Exit Pass.
