

Activity 10: Human Effects on Wetlands

What is the effect of human activity on wetlands?

Materials

- *Wetlands Digital Field Trip Resource*

Instructions

1. Fill in the *Note-Taking Organizer* as you read the following sections in the **Wetlands Digital Field Trip Resource** to learn more about how human activity has affected wetlands.

- Our Endangered Wetlands: Pollution
- Our Endangered Wetlands: Conservation

What are the three main sources of pollution affecting wetlands?	
What happens to pollutants that enter the wetlands?	

Describe four problems affecting wetlands and how they can be addressed:

Problems	Effects on wetlands	What can we do?
