## What Objects Emit Their Own Light? What Objects Need a Light Source to be Seen?

Discover: Where Light Comes From

### Question

Where does light come from?

### Resources

---

Access the website links from the online course.

- BrainPop Video: Light Search Game (website)
  - Username: 0099
  - Password: students
- *Source of Light Table*

### Instructions

---

- 1 Go to the site above and play the game.
- 2 Find the three sources of light in each picture (twelve in total), and decide if they are natural or artificial (man-made).
- 3 Record the sources of light you found in the appropriate spot in the ***Source of Light Table***.
- 4 Check your answers using the ***Check Your Answers*** on the following webpage in the course content.
