# Waste & Our World

## How Have Individuals And/Or Groups Made a Difference Regarding Waste in Our World?

Observe: Kids in Action

### Question

What are kids doing to reduce, reuse, and recycle waste?

### Resources

---

Access the website links from the online course.

- Eco Kids Reporters Video (website)
- *Kids in Action Chart*

### Instructions

---

- 1 Check the **Eco Kids Reporters** video page. Look for videos about how kids are reducing waste and helping the environment.
- 2 Watch at least four videos about how kids are reducing, reusing, and recycling.
- 3 Complete the **Kids in Action Chart** located on the next page with examples of how kids are reducing waste.
- 4 Search the Internet to find other kids, individuals, or groups who are working to reduce waste and help the environment.
- 5 Choose one individual or group you discovered and write some notes on who they are and when they are doing. Add these notes to your chart. Your notes might include answers to questions such as the following:
  - Where are they located?
  - What is their mission or goal?
  - How are they working for their mission or goal? What kind of actions are they taking?
  - How are they educating others about their mission or goal?
- 6 What would you do if you were to start a group to reduce waste and help the environment? Think about this a bit and note your idea(s) in the last row of the chart.

## Skill Builder

How to do an Internet search.

If you need to use this [Skill Builder](#), access it from the online course.
