## A Little Background on Simple Machines

Discover: Building Devices with Simple Machines

### Question

What do I know and what am I going to learn about building devices with simple machines?

### Resources

---

Access the website links from the online course.

- *KWHL Chart*
- BrainPop Video: Levers (use login information below) (website)
- BrainPop Video: Wheels (website)

### BrainPop Login

Username: 0099

Password: students

### Instructions

---

- 1 Read the **Building Devices with Simple Machines KWHL Chart** located on the following page.
- 2 As you watch the **BrainPop** videos from the content page, use the information you hear to complete the first two columns of the chart. (See BrainPop login information above.)
- 3 As you read and complete sections in this unit, you will be asked to return to the chart to add new information about simple machines to the third and fourth columns.

### Skill Builder

How to complete a KWHL Chart.

If you need to use this Skill Builder, access it from the online course.
