

**Science 9**  
**Unit E: Space Exploration**  
**Lesson 2**  
**Practice Worksheet 52: Models of the Solar System Theories**

---

Complete the chart below.

- In the left column, write only information that applies to the Geocentric Model.
  - In the right column, write only information that applies to the Heliocentric Model.
  - In the middle column, write information that applies to both the Geocentric and Heliocentric Models.
- 

Chart for Comparing Models of the Solar System		
Geocentric	Both	Heliocentric

---

**Congratulations! You have completed this practice worksheet.**

Now it's time to carefully compare your answers to the suggested answers in the online course. When comparing, you should feel free to make changes to your answers or make extra notes.

**Keep this practice worksheet for study purposes.** Using practice worksheets as a study tool to review for exams is a great idea.

**If you unsure about any of the questions or answers, or you just want more feedback, share this practice worksheet with your teacher and ask for assistance.** You can do that by emailing the teacher, or by submitting it in the Course Questions Forum in the online course. If you are using this practice worksheet in Google Drive, don't forget to change the sharing settings so that anyone can view it before sending the link to your teacher.
