

Science 9
Unit E: Space Exploration
Lesson 11
Practice Worksheet 59: Space Technology on Earth

Work through the readings and videos in Unit E Lesson 11 and read the relevant information in your textbook.

Complete the chart below. For each category of space technology, describe **three examples** of how it is used on Earth.

How Space Technology is Used on Earth	
Type of Technology	Examples of how the technology is used on Earth
Medical	
Computers	
Electronics	
Remote Imaging and Public Safety	

Congratulations! You have completed this practice worksheet.

Now it's time to carefully compare your answers to the suggested answers in the online course. When comparing, you should feel free to make changes to your answers or make extra notes.

Keep this practice worksheet for study purposes. Using practice worksheets as a study tool to review for exams is a great idea.

If you unsure about any of the questions or answers, or you just want more feedback, share this practice worksheet with your teacher and ask for assistance. You can do that by emailing the teacher, or by submitting it in the Course Questions Forum in the online course. If you are using this practice worksheet in Google Drive, don't forget to change the sharing settings so that anyone can view it before sending the link to your teacher.
