

Air & Flight

Name: _____

Date: _____

What is Air Made Of?

Observe: What do you know about air?

Question

What do you know about air?

Think of the experiences you have had with air and any other information you might have about it.

Resources

- *KWHL Chart*

Instructions

- 1 Now that you have completed Lesson 1, complete the first two columns of the **Flight KWHL** chart.
 - What do I **KNOW** about Air, Aerodynamics, and Flight?
 - What do I **WANT** to learn about Air, Aerodynamics, and Flight?
 - **HOW** can I learn more about Air, Aerodynamics, and Flight?
 - What did I **LEARN** about Air, Aerodynamics, and Flight?
- 2 As you read and complete sections in this unit, you will be prompted to return to the **KWHL Chart** to add new information about flight to the third and fourth columns.
- 3 After the **KWHL Chart** is completed, you can use it for review and study.

Skill Builder

How to complete a KWHL Chart.

If you need to use this Skill Builder, access it from the online course.

Flight KWHL Chart

What do I <u>Know</u> ?	What do I want to <u>Learn</u> ?	<u>How</u> Can I learn more?	What did I <u>Learn</u> ?
