

Exit Pass: Lesson 1

What is the value of forests?

Complete the following.

Questions

1. Many people from around the world visit Alberta forests each year. Why do you think this is so? Do you think these visits are a good thing?

2. Jensen is talking to his friends and says, "I don't care if they cut down that forest. There's only flies and mosquitoes in there anyway." What is your response to Jensen?
