

Activity 9: Tree Products

How many tree products can you spot in the images below?

To be a good detective or forensic scientist, you must have good observation skills.

Complete the activity, using the links provided (in the lesson and below).

Resources

- **From the Forest Magazine** <http://ecosystems.psu.edu/youth/sftrc/lesson-plan-pdfs/from-the-forest>
- **The Forest Academy Trees in Our Lives**
<https://www.theforestacademy.com/download-pdf-selection/#.Wo-PhqinFPZ>

Instructions

1. Go to the *From the Forest* magazine. View *The Products We Get From Trees*. Read the *Trees in Our Lives* section of the *Forest Academy* website.
2. List the many products you see that come from trees below.

Vincent Van Gogh
The Bedroom 1889
