

**Interior Supplementary and Exterior Supplementary Angles**

1. Name the interior supplementary angles and exterior supplementary angles in the diagram provided.

*The sets of interior supplementary angles in the diagram are:*

$\angle R$  and  $\angle 1$

$\angle S$  and  $\angle 2$

*The sets of exterior supplementary angles in the diagram are:*

$\angle P$  and  $\angle 3$

$\angle Q$  and  $\angle 4$
