

# FOR 2030 – Regulating Alberta’s Forests

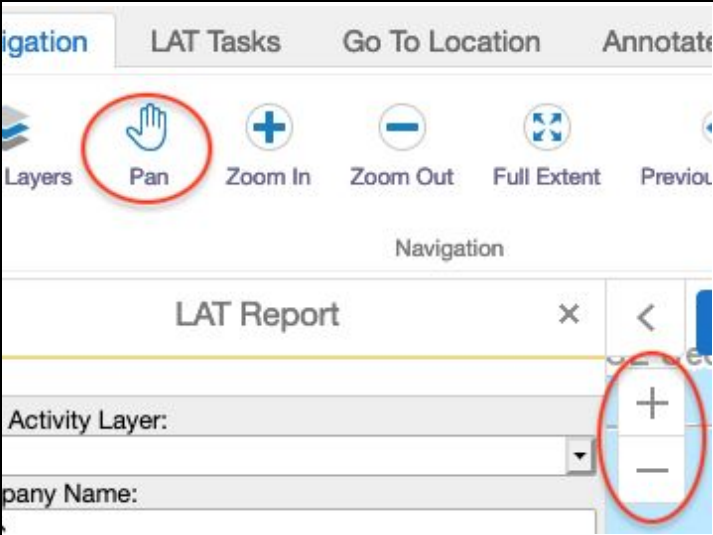

## ASSIGNMENT – LAT Report

**STEP 1** – Ensure that you have watched the instructional video on the Moodle assignment page.

**STEP 2** - Follow the steps to create a Landscape Analysis Report using the [Landscape Analysis Tool](#) (LAT).

### STEP 3 – Selecting A Site

1. From the Navigation tab use the Pan and “+ / -” tools to locate a rural area in Alberta you would like to plan your project.
- Make sure the area you select is not in a park.
  - Do not select too big of an area.

### Step 4 - Adding Proposed Activities in LAT Using the Draw LAT Activity Tool

To enter proposed activities, complete the 3 steps, as illustrated below.

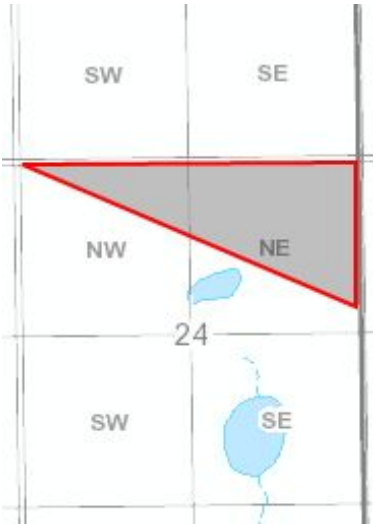

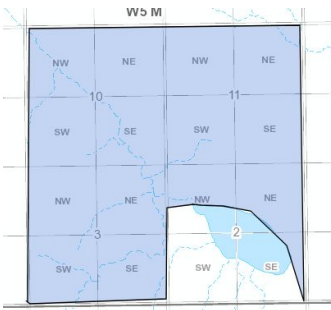

1. Click on LAT Tasks -> LAT Editor.
2. Enter a name for the new proposed activity layer. (STUDENT\_NAME FOR2030).
3. Click OK.
4. Select Activity Layer: Click on the drop down arrow to select the proposed activity layer name. (You created this in Step 2.)
  - **(STUDENT\_NAME FOR2030)**
5. Select the Disposition Type.
  - Choose **RVC – Vegetation control Easement** – we are applying to log a fireguard.
6. Select the Geometry Type **(Polygon)**.
7. Select the Purpose Type **(Fire Hazard Management)**.
8. Select the Activity Type. **(Fireguard)**

Select Activity Layer:
STUDENT_NAME_FOR2030
Draw Type:
<input type="radio"/> Polyline:
<input type="radio"/> Polygon:
Disposition Types:
RVC - Vegetation Control Easement
Purpose Types:
Fire Hazard Management
Activity Types:
Fireguard (FHCP01RVCR)
Buffer (meters):
30 x 30

### Step 5 - Drawing Proposed Activity

1. Immediately click on the map to start drawing, clicking for every point on your border.
2. Double click to end making your selection.

## Step 6 – Create a LAT Report

1. Select the LAT Report Icon.

2. Select the Activity Layer.
3. Fill in the required information as shown.
4. Make sure Group Activity Types is **NOT** selected
5. Choose the **Submit** button
6. You will immediately receive a confirmation that your LAT report request has been submitted.
7. In approximately 2 minutes you will receive your LAT report.
