

Review of Persuasive Writing in Context Assignment: Student Exemplar

Answer the following questions, based on your close reading of the student's assignment.

NOTE: This is not to be handed in for marks but will be used throughout this lesson.

1. What is the student's position on the issue? Quote the student directly.
2. Which sentence best shows the student's understanding of the issue?
3. How does he/she support and develop this/her position? Provide at least two quotations that illustrate the student's development.
4. Is the student's voice convincing? Provide at least one quotation that reveals the student's voice.
5. What words and phrases demonstrate the student's attention to quality of writing? Consider both word choice and control of writing skills.
6. Based on your observations here, use the rubric to assess the student's Persuasive Writing in Context assignment for both categories.
