

Units 1 and 2 Quiz—Assignment Checklist

Before your teacher gives you the Units 1 and 2 Quiz password, you must ensure you have completed all **assignments**, **self-assessment quizzes**, and **Moodle Forum posts** for the first half of the course.

Assignments

You must have a mark for these assignments for them to be considered complete. Go to the top of the screen in your course and **click on Grades** to see whether you have a mark for each of the following assignments.

(If you believe you handed in an assignment, but you do not have a mark for it, it is possible that you have been asked to revise the assignment, or it has not been marked yet. Check the comments area next to the assignment to see if your teacher has left revision instructions for you there.)
