

3.1 Character Chart

Complete the following chart based on the characters in the play *Selfie*.

Remember, you are encouraged to complete a section in the chart for all of the characters, but you will only be **assessed on three**. Also remember that **you may not choose the character Zack** because he is already used for the example in the first section of the chart.

Character Name	Brief Description of Character's Primary Conflict	Event that Leads to Character's Epiphany	Description of Character's Epiphany (What does he or she come to realize?)	Textual Evidence of Character's Epiphany (Quote a line or two from the play and cite the page number.)
Zack	<i>Doesn't get along with his mom after the divorce. Feels she treated his dad unfairly.</i> <i>Then gets in a conflict with his dad's girlfriend.</i>	<i>He learns that his dad had been cheating on his mother with his current girlfriend. It explains his mother's "crazy" behaviour. He feels he can't trust anyone but himself now, but then he falls in love with Kaitlin, and that changes everything.</i>	<i>He realizes that love isn't going to fix everything and might not last forever, but it does make it easier to weather life's difficult moments.</i>	<i>"Zack sits with Kaitlin and takes it all in. Love might not be forever, but right now, right now is enough. He is thankful" (p.30).</i>
