 Assessment	<p>Areas of strength: <i>Lola, your Glogster presentation turned out really well! It's visually appealing with a nice balance of images and text. The quotations from the story provide excellent reasoning for your choice of casting and set design choices. Excellent choice of images for all three categories! They show you have a strong understanding of the play.</i></p> <p>Might I suggest: <i>Though you do include a number of excellent quotations, there were none provided for wardrobe section of your Look Book. Also, for your wardrobe pictures, some images of winter coats and hats from the 1950's would have been a nice addition, since much of the story takes place outside.</i></p>
