## Vocabulary Word Wall

In this unit, you will learn words that are related to **Fairness**.

Throughout the unit, you will add images/pictures for the vocabulary words and either write a sentence containing the word or be asked to write a definition of the word.

In some lessons, the words will be given to you to help you understand the selections better and in other lessons, you will choose words yourself that are of interest to you.

In this activity, you will add an image and a definition for each word that has been placed on the wall already. The first term — fair— has been completed for you.

You may use your online dictionary to look up the words: [Online Dictionary](#).
