## Reader's Notebook: Awful Ogre Review

### Questions for Predict, Infer, Connect Strategies

Write your responses to the questions below.

1. My predictions after viewing the title and illustrations on pages 64 & 65 are:

2. What can you infer from the sub-title sentence, "*What funny events might happen at Awful Ogre's supper?*"

3. What can you infer from, "I step out to a restaurant just forty miles from here"?

4. The Ogre says, "I wolf down all they proffer". What does it mean to "Wolf" something down?

5. "The other patrons notice, but none of them complains." Why don't the other patrons complain?

6. He thinks the waiters hate to see him go, appreciate his business, and never want him to pay. What is the real reason they treat him like that?
