

Bleepin' Bleep: The Disclaimer Test

Check to see if your song or text choice for the assignment is appropriate by doing the small quiz below. Refer back to your mini-lesson "Bleepin' Bleep" in the Course Resources to help you out if necessary.

1. Text Title _____
2. Text Artist _____
3. If you have left any of the spaces in question 1 or 2 blank, find the answers or find a new text that has this information.
4. Does your text have profanity? ☐ HECK YES! ☐ HECK NO!
5. If you answered **HECK NO** in #4, congratulations, you just passed the quiz! You can carry on with your activity on the next page. If you answered **HECK YES**, you must continue to #6!
6. Is the profanity used in the text **only** for the sake of being a profanity?
☐ HECK YES! ☐ HECK NO!
7. If you answered **HECK YES** to number 6, **you must choose a new song, poem or narrative and start the quiz over.** If you think there is more to the substance or purpose behind the foul language in your text, proceed to the next question.
8. Can you see a specific reason the artist has chosen to include profanity in your chosen song?
☐ HECK YES! ☐ HECK NO!
9. If you answered yes to #8, identify (in point form) the **reasoning or purpose** behind the artist's choices to include these words below. Do **not** swear in your response.

10. If you have filled out the above response with specific details or an answer that **is not** "because it sounds cool", you have passed the quiz! Continue on to the next part of your assignment!
