Complete the following questions based upon what you have learned in Language Arts 9-4.

Did you meet the goal you set out for yourself at the beginning of the course? If not, is the goal ongoing or have you decided to change this goal?

List four successful experiences you have had in this Language Arts course this year.

Review the “My Challenges” List you completed at the beginning of the year.

Which challenges have you improved upon? Which challenges will you continue to focus on in the future? (If you’d like to complete this list once again, there is a link to it on the Reflection page.)
