

Project Assignments:
Plan (use template to help you prepare your project). You do NOT need to submit the template.
Part I: Research – closely follow the guidelines listed in Country of Origin Criteria (linked within lesson). Unless you are First Nations, you can NOT choose Canada as your ancestral country.
Part II: Images - five or more appropriate graphics (with explanations)
Part III: use planning template to help you prepare your project – NO need to submit this
Part IV: Presentation includes relevant images, maps, charts with informative captions
Part V: Proofread, Refine, and Conclude
Include a Final Analysis - Drawing conclusions comparing life in your country of origin and contrasting it to your life in Canada.
Part VI: Bibliography – includes 4 or more reliable sources (Wikipedia is not an acceptable source)
